7 EXPLANATION

8 This bill makes changes to Code chapter 357E relating to
9 benefited recreational lake districts, water quality districts,
10 and combined recreational lake and water quality districts.

11 The bill specifies that districts under Code chapter 357E
12 are incorporated as public entities.

13 The bill increases from three to seven the number of trustees
14 on the board governing a benefited recreational lake district,
15 water quality district, or combined recreational lake and
16 water quality district, other than the two trustees who may
17 be appointed by the natural resource commission if the state
18 owns a certain amount of land contiguous to a lake within the
19 district. The bill makes corresponding changes to the trustee
20 selection procedure for newly established districts.

21 The bill also provides that for districts in existence on
22 July 1, 2011, the board of supervisors is required to appoint
23 four additional trustees. One trustee shall be appointed to
24 serve for one year, one for two years, and two for three years.
25 Following expiration of those initial appointments, vacancies
26 are filled by election.

27 Current law requires trustees to be residents of the
28 district. The bill would also allow property owners within the
29 district to serve as trustees.

30 The bill strikes and replaces Code section 357E.11, relating
31 to a district's authority to issue bonds in anticipation of
32 revenue. New Code section 357E.11 authorizes a district to,
33 subject to a debt limitation, issue bonds, including both
34 general obligation and revenue bonds, in the same manner as
35 cities. The bill provides that the bonds must be payable

H.F. _____

1 in not more than 40 annual installments and with interest
2 at a rate not exceeding that permitted by Code chapter 74A.
3 The bill provides, however, that a district may not incur an
4 indebtedness until authorized by an election.
